

Massive Möbel aus den  
**Fröhlich Werkstätten**

möbel holz + edelstahl

als konsequent ökologisch orientiertes programm von prof. frank huster entwickelt. als langlebige, nahezu unverwüstliche möbel gedacht und in einer besonders schlichten formensprache umgesetzt.

von den fröhlich-werkstätten in kleinen serien gefertigt.

die möbel können mit edelstahlschrauben, querbolzen und mitgeliefertem speziälschlüssel auf einfache weise auch selbst montiert werden.

keilgezinktes oder durchgehendes massives  
holz aus heimischen wäldern.  
lösbare verbindungen aus edelstahl.  
satiniertes glas für tableaus.

als oberflächen stehen drei  
alternativen zur verfügung :

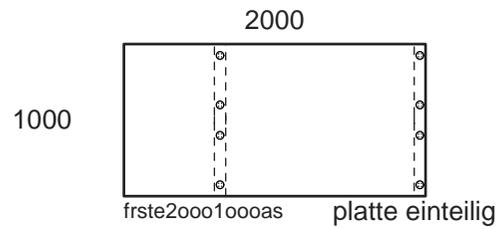

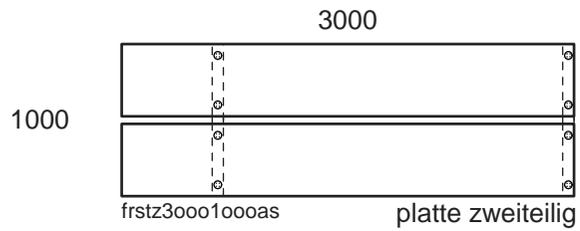

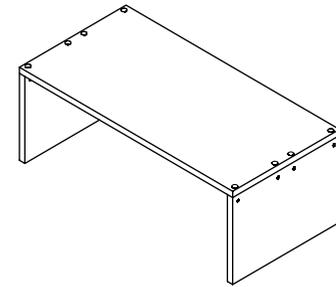

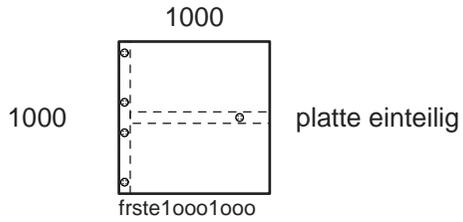

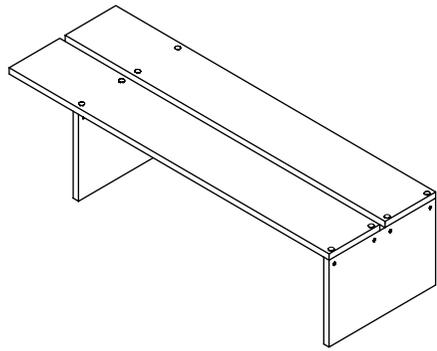

- geschliffen, natur belassen (zum selbst  
seifen oder wachsen)
- hochbeständige, farblose wasserlack-  
beschichtung (standard-ausführung)
- mit hartwachsöl behandelt
